

*Procurement
(98th)*

24 May 1983

NOTE FOR:

[Redacted]

Logistics and Procurement Law Division

STAT

FROM:

[Redacted]

Acting Chief, Legislation Division

STAT

SUBJECT: H.R. 2545

I got your note about the captioned bill indicating no problems with it.

If you conclude that new authority is needed to implement multi-year contracting, perhaps we should discuss including an appropriate provision in next year's ~~auth~~ authorization bill.
